

W.I.G.'s CREATIVE TEAM

GRACE ANASTASIADIS (Associate Artistic Director, General Manager) is very excited to be joining the Student Arts Collective. She has worked for HCC for almost nine years in various areas of the theatre and the instructional side. Grace also currently teaches acting here at HCC as an adjunct. She holds an AA from HCC in Theatre Performance and a BA in Theatre Performance from the University of Maryland.

ERIN DRUM (Photographer) received her AA in Studio Art last year and works part-time for the Student Arts Collective's work force in a myriad of capacities... one of which includes stage managing AC's upcoming production of A CHORUS LINE. Previously, Erin has performed the role as the Student Arts Collective's "House Photographer" for W.I.G. and for last spring production of DRACULA.

KEITH GRAY (Production and Outreach Specialist) joined HCC'S Student Arts Collective this summer as an instructor for the Actors' Studio teen monologue workshop. He is now happy to be joining the Arts Collective staff this season as a Production and Outreach specialist. An alumnus of Seton Hill University, Keith received his B.A. in Theater Arts, with an emphasis on performance. Major acting credits include Hal in PROOF, George Gibbs in OUR TOWN, Danforth in THE CRUCIBLE, Krogstad in A DOLL'S HOUSE, Nickles in J.B., and Malvolio in TWELFTH NIGHT.

DAVE HARTON (Sound Engineer, Technical Support) joins W.I.G.'s second season after lending tech support to W.I.G.'s seasons, since its inception. Dave has worked with HCC's Student Arts Collective for the past year as sound engineer, however, Dave provided the sound effects for our production of DRACULA last spring. Dave graduated from Full Sail's Real World Education in Florida with an Associate in Science in Recording Arts in '07 and with a Bachelor of Science in Music Business in '08. He is also a musician and web designer.

S.G. KRAMER (Director, Producing Artistic Director) celebrates this dream-come-true walk inside this world of improv... and honest story telling. She extends armfuls of appreciation and thanks to W.I.G.'s most stellar cast and crew. Most recent projects directed: DRACULA, A FUNNY THING... FORUM and currently, A CHORUS LINE (with Jenny Male)! She's honored to be a part of THE STUDENT ARTS COLLECTIVE... since its inception, (15 years ago). Susan dedicates W.I.G.'s second season to two of the funniest women she knows; Alexandra Billings and Emma K. McDonnell.
