

COURSE OUTLINE

THET-160, 161, 162 and 163 Theatre Practicum 1 Semester hour

HOWARD COMMUNITY COLLEGE

Description

Students will practice their knowledge and skills in designated areas of theatre production. Hands-on experience with different phases of production is the method of instruction. Students will concentrate their efforts in one of the following areas--lighting, sound, set construction, costuming, theatre management, stage management, directing, props or acting. Acting is by audition only. The student may take theatre practicum four times for credit. Each registration should be for the next numbered course. Prerequisite: consent of instructor is required. (2-3 hours weekly)

Overall Courses Objectives

Upon completion of this course, the student will be able to:

1. Gain knowledge of one of the above aspects of theatre production by actual theatre experience.
2. Apply this knowledge to a hands-on experience in a Howard Community College theatre production.

Major Topics

Vary with different areas of theatrical experiences as described above.

Course Requirements

Grading/exams:

1. Participation in a Howard Community College theatre production. (45 hours)
2. The completion of a written journal detailing the work experience, observations and self-evaluation.
3. 100%--successful completion of production tasks (to be mutually agreed upon by student and instructor).
4. Work hours will be scheduled in conjunction with rehearsals and performances. Attendance is required for all scheduled work hours.

Other Course information

This course is a Fine Arts, Humanities and Arts and Sciences elective.
