Maryland Higher Education Commission Office of Student Financial Assistance is pleased to announce its new Maryland College Aid Processing System (MD CAPS) for State student financial aid.

The new MD CAPS system allows Maryland students to complete an application online, check their "To Do" list to see what actions are required of them, accept offered awards online, and check the status of an application or award.

Students need to create a user id at <https://mdcaps.mhec.state.md.us>
They then need to activate their user id via email and log in.
