Total Credits: 14-17

SIXTH SEMESTER

The sixth semester will be customized to meet the needs of each student according to their program of study and/or transfer and career plans.

* Student's English sequence will be determined by the English placement test results in most cases.

** Student's mathematics sequence will be determined by the mathematics placement test in most cases and by program of study.

Please note that the curriculum may be adapted to meet each student's specific transfer and career goals. Program adjustments could impact credit totals.
