It is essential to meet with your advisor regularly to be aware of program and certification changes.

* Students who are not required to take ENGL-101 should take a Literature core course to fulfill program requirements. Students in the Teacher Education Transfer Program are required to submit scores from Praxis I: Academic Skills Assessments to the Social Sciences Division prior to the completion of the 45th credit hour. The exam assesses basic reading, writing, and mathematics skills. Scores from Praxis I are used for admission to four-year Teacher Education programs and are required for Teacher Certification in Maryland and most other states. Maryland passing scores for Praxis I are currently 177 in Math, 177 in Reading, and 173 in Writing, or a composite score of 527.
