REQUIRED COURSES RELATED TO MAJOR

Course Number	Required Course	Credits Required	Credits Earned	Planning
NURS 103	Transition into Nursing II	6		
NURS 230	Trends in Nursing	1		
NURS 233	Nursing Care of Patients with Complex Health Problems II	4		
NURS 234	Family Centered Nursing II	4		
NURS 235	Nursing Care of Patients in Community and Mental Health Settings	4		
NURS 236	Advanced Concepts in Nursing	4		

Students in this program must meet with an advisor regularly and maintain current information regarding the policies of the institutions to which they intend to transfer. Graduates of an LPN program, which has been validated for statewide LPN-ADN articulation, will be granted transfer credit for NURS 101 and NURS 102 after successful completion of NURS 103. + A student applying to NURS 103 must have placement into ENGL 121 or have completed required English developmental courses.

*** These two prerequisite courses must be completed with a minimum GPA of 2.25 (a grade of at least "B" in one of the courses). Exception: Student may substitute a higher grade ("A" or "B") in A&P II for a "C" grade in A&P I.**

**** These courses must also be completed before applying to NURS 103.**

- Be aware that A&P I and A & P II must be no older than 5 years for students applying for Nursing beginning Fall 2003.
- Students in this program must meet with an advisor regularly and maintain current information regarding the policies of the institutions to which they intend to transfer.

A grade of "C" or better is required in nursing, mathematics, and science courses.
