It is essential to meet with your advisor regularly to be aware of program and certification changes. AAT Students are required to complete one of the following options:

Option I

- Submit scores from Praxis I: Academic Skills Assessments to the Social Sciences Division (prior to the completion of the 30th credit hour recommended)
- The exam assesses basic reading, writing, and mathematics skills. Scores from Praxis I are used for admission to four-year Teacher Education programs and are required for Teacher Certification in Maryland and most other states.
- In Maryland passing scores for Praxis I, are currently 177 in Math, 177 in Reading, and 173 in Writing, or a composite score of 527.

Option II

Maryland has a basic skills option for candidates who have obtained the following scores on other tests: SAT composite score of 1100 (Verbal + Math) or SAT composite score of 1000 (if taken prior to 4/95) or ACT composite score of 24 or GRE composite score of 1000. These candidates *do not need* to take Praxis I.
