

**Biomedical Engineering Technology
Advanced Certificate
Program Planning Sheet**

Student Name: _____

Catalog Year: 1998-1999

Soc. Sec. Number: _____

ADVANCED CERTIFICATE REQUIREMENTS

Course Number	Required Course	Credits Required	Credits Earned	Planning
HC 111	The Health Care Delivery System	3		
PS 100	Technical Physics	4		
BT 112	Electro-Mechanical-Fluidic Devices I	3		
BY 106	Basic Anatomy & Physiology: Biomedical Emphasis	4		
BT 211	Biomedical Instrumentation I	5		
BT 212	Biomedical Instrumentation II	5		
HC 212	Health Care Issues in BMET	3		

You do not need to complete the one-year certificate in order to obtain the advanced certificate.
