2008 DISTINGUISHED ALUMNI AWARD NOMINATION FORM

In 2001, the Distinguished Alumni Awards Program was established at Howard Community College as part of the 30th Anniversary commemoration. Since that time, 68 HCC alumni have been recognized for their outstanding achievements and accomplishments.

Each year the community is invited to nominate additional HCC graduates or former students who meet the criteria of an HCC Distinguished Alumni. Nominees are evaluated by a selection committee that considers the candidates' professional accomplishments, community leadership, continued education, diversity of experience, interests and successes.

The nomination deadline is **March 1, 2008**. Please forward all nominations to the Development Office prior to the deadline. Nominations received after that date will be held for consideration in 2009. For more information, please contact Cynthia Sikorski at 410-772-4732 or csikorski@howardcc.edu.
