

First Time On-Line Tutoring In Math Hurry Up and Enroll ...

Learning Assistance Center at Howard Community College introduces an On-Line Tutoring

IN

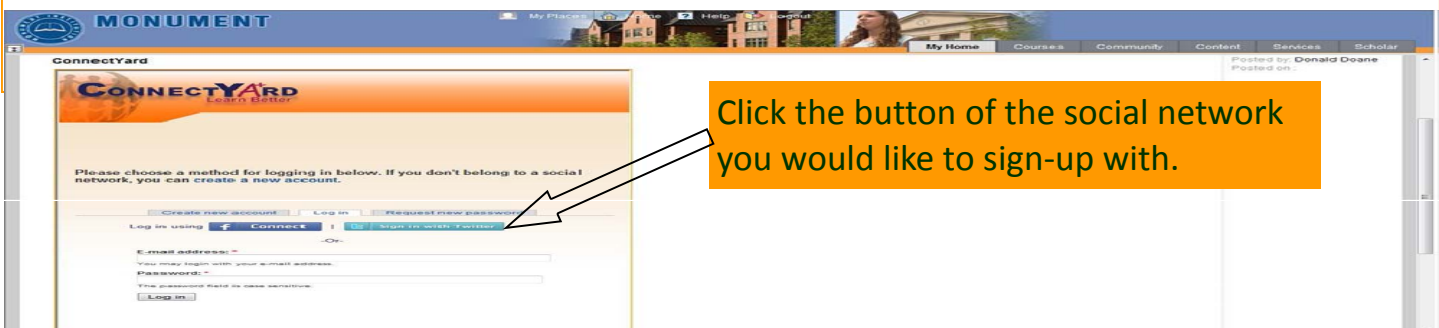

Algebra
Statistics

Geometry
Business Calculus

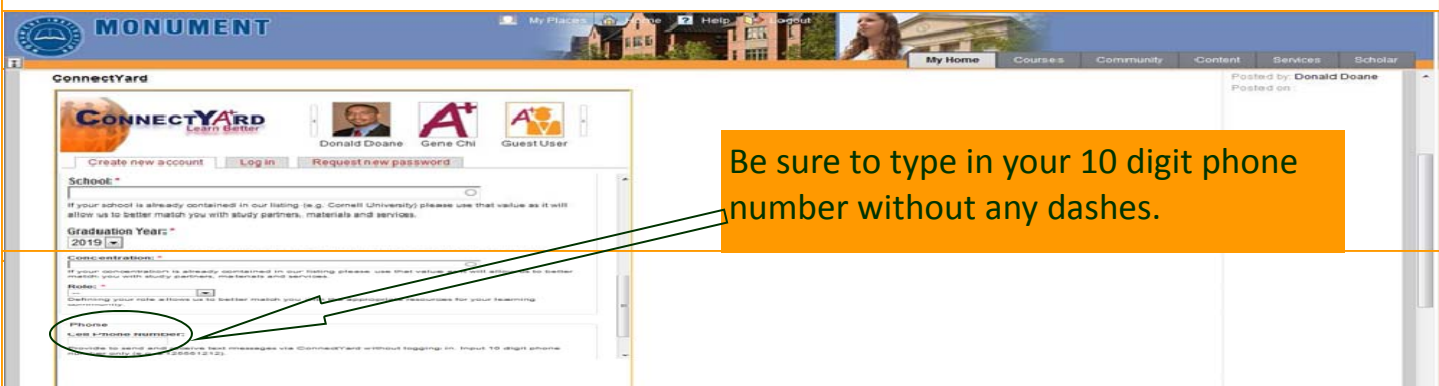

College Trigonometry
Linear Algebra.

The On-Line Tutoring is used through ConnectYard Platform. Please follow the following steps:

1. Go to www.connectyard.com
2. Next you need to select a new account option. You can initially sign-up using Facebook or Twitter. If you already have a social networking account, which will allow you to send and receive messages directly from those networks. The system will not share any of your wall posts, pictures, etc. If you do not belong to one of these networks, you can create a new ConnectYard account and associate Facebook or Twitter with your account after you register by selecting the "Notifications" option from the top menu bar.

3. The final step is to complete the brief registration form. You are required to enter basic information such as the name of your institution, intended graduation year, concentration and role within your institution. You can also provide your cell phone number and carrier if you would like the ability to both receive and respond to messages using your phone. Alternatively, you can update the phone and social network(s) associated with your account af-
