

Howard Community College's Student Support Services Program is designed to provide academic support services to credit students to assist them in meeting their academic and personal goals. Our main goal is to help our students achieve a degree from HCC and transfer to a 4-year college to attain their bachelor's degree. For more info, please call 410-518-1300 to make an appointment with a counselor.

Peer Mentor Spotlight!

The SSS Peer Mentor program is designed to provide SSS participants with academic, study skills, and social guidance. Peer Mentors will provide assistance in tutoring, navigating college life and as a referral source for students needing college services.

If you are interested in applying to become a Peer Mentor, please contact Zakia Johnson at 443-518-4079 to discuss the position.
