Type of Incident	Date/Time Reported	Location of Incident	Reporting Officer
Damaged Property	4/18/06 8:35pm	Gameroom	G. Hailey
Summary			
<p>Security was notified by a Plant Operations employee of a loud boom in the Gameroom. After further investigation, Security noticed one of the foosball machines in an upright position with the legs broken. After speaking with the Plant Operation's employee, he stated that he saw three kids pushing the other machine. Security also spoke with two other individuals who were in the Gameroom. One individual stated that she noticed the table in this position earlier. Security also spoke with the second individual who stated that he saw it when he came into the Gameroom. Security spoke with another individual who stated that only one of the kids was in the Gameroom who stated to his mother that he did not push the machine and that it was already broken and he had pushed the other machine. There were two other children involved in the situation who had accompanied the adult and her son.</p>

Type of Incident	Date/Time Reported	Location of Incident	Reporting Officer
Animal Bite	4/22/06 8:25am	Hickory Ridge Parking Lot	P. Humes

Summary

A student advised that she was walking towards the Hickory Ridge building enroute to class when she encountered two medium size dogs standing in front of the main entrance. One of the dogs began to bark furiously at her. She turned away and the dog bit her on the buttocks. An unknown man then approached her and stated that he was the owner of the dogs. He apologized. He did not give her his name. The student would not provide a physical description of the individual. She advised that she did not think the bite was serious and that it did not break the skin.

The area was checked for the unknown man and dogs with negative results.
