Type of Incident	Date/Time Reported	Location of Incident	Reporting Officer
<b>Summary</b>			
<p>On date and time stated above, the campus lost power and the fire alarms in all buildings began ringing. Security attempted to contact someone from plant operations but was unsuccessful. At approximately 4:09 the alarms stopped ringing and all was quiet. Security dispatched the mobile unit to the trailers and the Athletic Center because the officer had several automated calls from TA-1 about the alarm going off and the phone system not working. Security also received several calls from the Athletic Center complaining about the power outage and if Security could send someone to fix it. Security made two phone calls; one for the Safety Coordinator who said he would make some calls and the other to another Plant Operations staff member who informed Security that he has two individuals on their way to the college to check everything and to make sure things were back to normal.</p>
