Harassment	12/2/2008 11:10am	Game Room	L. Pennix
<p>On date and time stated above, Security was stopped by a man and his son. The son said that he arrived in the gameroom on Monday December 1, 2008 around 3:00pm. He then went to the arcade room and minutes later two black males came into the room and asked him if they could play with him. He said yes they can. After losing, the gentlemen started cursing at him as they got upset, according to the individual. When he had seen the shift in their attitudes he started to leave when one male blocked the door so that the individual could not leave. According to the individual one male told him that he could not leave until he gave them a rematch. When the individual agreed he said that he lost on purpose so that the gentlemen would allow him to leave. When he was outside of the room he told the gameroom monitor who reported it to a Security Officer. The Security Officer spoke with the gentlemen, as well as the individual. When asked if he was alright to go back inside, or if he wanted the gentlemen to leave he said that everything was alright. According to Security, the individual seemed upset because the gentlemen were getting excited and starting yelling the N word and the individual started crying.</p>
