Type of Incident	Date/Time Reported	Location of Incident	Reporting Officer
Injury	2/7/2008 9:00pm	Hickory Ridge Bldg – 2 <sup>nd</sup> Floor	R. Holland
<b>Summary</b>			
Security learned from an individual that at approximately 9:00pm she fell and hurt her left knee on the sidewalk in front of the Hickory Ridge Building, but was able to walk it off and get into the elevator which got stuck on the second floor for ten minutes. After about 10 minutes Plant Ops was able to open the elevator doors and the individual jumped out of the elevator due to it not being in its normal position and aggravated the knee injury. Security applied some ice to the knee and asked her if she wanted the paramedic to be called and she refused, stating that she wanted to go back to class .All concerned parties cleared the area.

Fall	2/12/2008 6:30pm	Parking Lot K	G. Hailey
<b>Summary</b>			
<p>On 2-12-08 at approximately 6:30, the Director of Security, parked his personal vehicle in the drop off zone of Parking Lot "K". He exited his vehicle and proceeded towards the U. S. Mail box located just outside the "L" building. When he stepped onto the sidewalk he immediately slid sideways to the left and fell to the sidewalk. He broke his fall with his right hand and subsequently fell on his right side. He sustained an abrasion to his right hand. He also has soreness on his right side and lower back. He refused treatment. It was raining at the time and the sidewalk was covered with ice. The sidewalk had not been treated with any type of ice melting substance. This incident was witnessed by an individual of Plant Operations. The Plant Ops individual had just entered the parking lot on his "Gator" when he observed the Director of Security fall. He went to the sidewalk, checked it with his foot and immediately called Plant Operations on the radio to respond and spread ice melt.</p>

For The Record	2/21/2008 1:30pm	Parking Garage	E. Diggs
<b>Summary</b>			
<p>On date and time stated above, Security was in the Main building talking to a fellow Officer when an unknown white female approached and stated that she was almost struck by a reckless driver while she was exiting the second floor of the parking garage. When Security asked her for her personal information in order to initiate an investigation she stated "no thanks I'm going to write a letter to the President" and then walked away. Security immediately went to the garage in a effort to ascertain the locations of cameras. Security observed that there had been a camera on the second floor of the garage that might have recorded the incident. At approx 2:00, Security notified the individual who oversees the operation of the CCTV system. Security advised him of the situation and he stated that he would review the tapes in order to help identify the vehicle or the driver. Security will touch base with this individual to ascertain if he had seen the complainant or the vehicle. Depending on what information is reviewed the investigation may continue.</p>

Theft	2/27/2008 1:30pm	HR 352	E. Diggs
<b>Summary</b>			
<p>On February 27, 2008 at approximately 1:30pm, an individual reported to security in reference to her credit cards being used. She stated that she had left her purse in her desk drawer in HR 352 on January 10, 2008 at 4:00. When she returned on January 11, 2008 at approximately 8:30am she opened her desk drawer, checked her purse and everything was there. When the January credit card statement came she noticed that her Visa card had charges that she states that she did not make. Within the next few days the other Visa card statement came in and there were charges on that card too that she states she did not make. The January Mastercard statement came in and everything seemed to be okay. Charges were made in California and Nevada which she seems to think they were online purchases. Her February statements have not come in yet, but she has cancelled all three credit cards.</p>

Medical Emergency	2/28/2008 2:35pm	Hickory Ridge 1 <sup>st</sup> Floor	L. Pennix
<b>Summary</b>			
<p>On date and time stated above, Security was dispatched to the Hickory Ridge Building in reference to a medical problem. Upon arrival, Security spoke with an individual who had informed Security that while doing a glucose monitoring test another individual had put the needle down, and when she picked it up again she accidentally poked her finger with a used needle. The needle had previously been used on an individual to get a blood sample from her who is also a nursing student. After the initial poke from the needle, the individual milked the blood out of the puncture for a minute and washed her finger for two minutes, She stated that she felt fine, and did not need an ambulance, but she insisted that she will drive herself to the hospital.</p>
