

July 2006

Type of Incident	Date/Time Reported	Location of Incident	Reporting Officer
Illness	7/12/06 12:15pm	ST Bldg Main Entrance	E. Diggs
Summary			
<p>Security was dispatched to the Main Entrance to the Science and Technology Building in reference to a sick subject. Upon arrival Security observed a female lying on the floor of the ST Building, just inside the Main Entrance. Subsequent investigation revealed that the female was walking toward the exit when she fell to the floor. She did not appear to be conscious. She was breathing and had a strong pulse and her eye lids were flitting. Within a few minutes she gained consciousness and was helped to her feet and placed in a chair. The individual stated that she was recovering from the flu. Howard County Paramedics responded to the scene and after an initial assessment, transported her to Howard County General Hospital. The individual did not appear to be injured from the fall.</p>

Missing Person	7/17/06 10:00pm	HCC Campus	F. Syed
Summary			
Howard County Police Department called Security to report a missing student. The student's parents called the police when they were unable to locate their son who had returned to the campus from a track and field activity. He was described as W-M, 17 years old, 5-10, 160 lbs., curly brown hair, wearing a light blue tee shirt and dark blue shorts. A broadcast was given to security to check all the buildings for the individual. The police department called back and advised that the boy had been located walking off campus. His parents advised that he suffers from Aspergers Syndrome and gets confused.
