Type of Incident	Date/Time Reported	Location of Incident	Reporting Officer
Injury	7/17/07 2:10pm	RCFSSB	E. Diggs
<b>Summary</b>			
.On 7-17-07 at approximately 3:45pm, a Bookstore employee came to the security office to report a possible injury that occurred in the bookstore. Security interviewed the cashier in the bookstore. She advised that at approximately 2:10pm she observed an unknown white female walking towards the exit door of the bookstore. She stated that the individual was looking at the rear and not watching where she was going. She subsequently walked into glass door. The cashier asked her two times if she was okay and the individual replied that she was okay. She left the RCF and was last observed walking on the quad side of the RCF building. The cashier stated that the individual was holding her nose.

Type of Incident	Date/Time Reported	Location of Incident	Reporting Officer
Disorderly Conduct	7/18/07 1:10pm	Hickory Ridge 1 <sup>st</sup> Floor	G. Hailey
<b>Summary</b>			
On date and time stated above, security received a call via security line that an instructor was chasing three individuals that were causing a disturbance near the class he was instructing. Security quickly responded to the area and was able to catch the three young males in the Hickory Ridge parking lot and spoke with them. Security advised the young men since they were not kids on campus participants and that they could not loiter around or inside the building. The young men were also advised to leave the campus and were escorted off the property by the mobile unit. Approx. fifteen to twenty minutes later security received another call from an individual concerning the same group that were spoken to earlier. Security again responded to the H.R. building, but the suspects had left the school grounds. Howard County Police were called and advised of the situation.

Type of Incident	Date/Time Reported	Location of Incident	Reporting Officer
Injury or illness	7/26/07	Hickory Ridge Parking Lot	E. Hawkins
<b>Summary</b>			
Security responded to the Hickory Ridge parking lot in reference to an injured subject. After further investigation security learned that a student had twisted her ankle. She stated to security that when she exited her vehicle and started walking to class she tripped on a crack in the road causing her to trip and twist her ankle. She was asked several times if she required medical attention and she refused. Security provided her with an icepack and a bandage for her injuries and gathered all information and cleared the scene.

Type of Incident	Date/Time Reported	Location of Incident	Reporting Officer
Injury or Illness	7/26/2007 4:50pm	ELB 117	A. Osman
<b>Summary</b>			
Security was approached by a student stating that there was a fellow student lying in the floor in ELB-117. After further investigation security found the student lying on the floor in the room. Security was told by the instructor that she noticed the student struggling with his breathing so she asked him to lie on the floor. After gathering his information to include his home phone number, security notified his mother who stated that she was enroute to pick him up. Security informed his mother about the incident and situation and allowed her to speak with her son. Security also asked if it was necessary to call the paramedics but she declined stating that she will be here in ten minutes to pick him up. The student also declined security from calling the paramedics stating that he was alright. Security stayed with the student until his mother arrived and transported him home.

Medical Emergency	7/31/2007 7:10pm	Athletics & Fitness Center Parking Lot	B. Vohr
<b>Summary</b>			
On date and stated above, while transporting housekeepers to the Children Learning Center, Security noticed an ambulance parked by the tennis courts with its light on. Security immediately notified the supervisor to find out if he was aware of the paramedics being on campus at this time. He stated that he was not aware of any paramedics being called to the			

athletic field. At this time the ambulance was leaving the parking lot with an injured subject. The supervisor advised the security officer to go to the Athletic Center to get as much information as possible about the situation. Spoke with the receptionist at the desk who said he knew something had happened but did not have adequate facts about the situation stating that the coaches responded to the victim. Tthe athletic technician was also unaware of the incident that happened on the field. Advised him of what had happened on the field and that security was not notified of the incident. He mentioned that a cart was on the field if any emergencies do come up. Security advised him to let the coaches know to also notify the security department as well as the paramedics. Coaches in their response stated that the female victim was suffering from heat exhaustion that was caused by lack of liquids in her body. Coaches also gave security her fathers name and his contact number.
