Type of Incident	Date/Time Reported	Location of Incident	Reporting Officer
Trespassing	6/2/09 5:30am	CL Bldg.	J. Ngueneba
<p>On date and time stated above, when the garage doors opened, a young man walked into the main building and went straight to the second floor computers. Security approached him and explained to him that it was too early for him to be using them since housekeeping was still in the area, Security then asked him to leave. The individual did not want to talk and did not want to get out of the way of the housekeeper. Security then asked the individual for his school I.D and he stated that he did not have it on him, Security still asked him to leave so that housekeeping could clean the tables. The individual left and went to sleep on one of the long benches. Security then informed the Supervisor who came over and asked the student to move to the Duncan Hall building. The individual did go to the Duncan Hall building, but returned to the computers on the second floor in the Clark Building. In a threatening tone, he asked why Security was asking him to leave, Security told him that he did not have an I.D and had no reason to be there at 5:30am. The young man that was in question turned out to be an individual in which security had a report on record. A check was done to see if the individual was currently a registered student or registering for any classes. It came back as student does not pass the eligibility rules set up for this registration. He was not eligible for registration. No further information provided.</p>
