Injury	5/23/05 7:30pm	ILB Lot A	C. Lawson
Summary			
Security was responding to a call to report to Lot A. Upon arriving, a student claimed that she parked in a parking spot and upon trying to exit, the piece of rubarb (spkie) caught her muffler causing damage to the bumper. While arriving, Security observed a tow truck driver trying to pull the car out by placing a tall piece of wood under the left rear tire so the car could go over the piece of wood. This also caused the damage to extend more. The student and the tow truck driver took pictures of the damage with camara phones. The student then drover her car to the car dealer.
