Harassment	11/9/2007 4:20pm	Administration Building - Second Floor	P. Davis
<p>At 4:20pm on Friday November 9, 2007, an individual was followed and verbally harassed from parking lot-G to the outside steps of the Admin. building by two (possibly intoxicated) males, and then followed to her office. Another individual emerged from her office across the hall and followed the individual out of the building, as far as the outside concrete patio. From that position she watched the individual cut across the quad, through the buildings, over the parking lot and beyond the Grand Prix field, ultimately of campus.</p>			
Disposition	Security has a detailed description of the individual and reported it to all the officers on his shift, in an effort to locate the individual, should he be on campus.		

Type of Incident	Date/Time Reported	Location of Incident	Reporting Officer
For The Record	11/12/2007 7:05pm	Parking Lot E	S. Kahn
<p>On date and time stated above, while patrolling, Security observed a blue Scion was parked in the middle of lot-E between the reserved spaces and the parking spaces opposite of the reserved spaces. As Security approached the vehicle, Security noticed that it was a stick shift and the vehicle was unlocked. Security was able to push the vehicle back into the original parking space and secure the vehicle. All concerned parties cleared the scene.</p>

Type of Incident	Date/Time Reported	Location of Incident	Reporting Officer
Assault Second Degree	11/13/2007 3:00pm	Game Room	R. Griffin
<p>While Security entered the Game Room for an ID check, they noticed an individual seated at the window wall in front of a pool table. Security approached the individual who refused to show the ID. At this point, another student got into a heated argument over use of the pool table with the other individual who refused to show his ID. The other individual launched a pool cue at the individual and struck the individual in the head. The cause of the disturbance was attributed to a misunderstanding as to who was next to use the pool table.</p>			
Disposition	911 was called and paramedics and the police arrived. The individual refused medical treatment. The police advised that they were not getting involved as the one individual had advised that the other individual had pushed her and that they would have to arrest both parties. They advised the other individual to go to the District Court Commissioner to complete a statement of charges for the incident.

Medical Emergency	11/13/2007 8:00pm	Game Room	P. Davis
<p>On date and time stated above, security was notified of a medical emergency in the Game Room .After further investigation security learned that an individual while playing pool fell to the floor and had an epileptic seizure, which lasted approximately forty-five seconds according to the witness. The individual who could hear the questions smiled and assured Security that he was alright and that this happens often. When the paramedics arrived, they asked the individual several questions to see if he was fully aware of his surroundings and situation. Upon answering their questions the individual informed the paramedics that he did not want to be taken to the hospital because his sister was coming to pick him up. The paramedics asked the individual to sign a release form stating that he willfully declined treatment. They then asked him to contact his sister who arrived moments later to take him home.</p>

Hazardous Material	11/13/2007 9:35pm	Parking Garage	P. Davis
<p>On date and time stated above, an individual went to his vehicle which was parked on the third level of the garage. Upon opening the driver's side door on his Honda CRX he noticed a white paste like substance under the door handle. He mentioned that at the time he felt a tingling sensation on his right hand, which came in contact with the compound. He mentioned a man as a potential suspect. Police arrived and examined the white paste and stated that he did not have the proper equipment that the Hazmat division of the fire department would provide. When the Fire Dept. arrived, they tested the compound with a special litmus paper to determine if the compound was indeed acidic and non-corrosive. The test revealed that the compound was neutral and essentially, non-toxic.</p>
