ACADEMIC HONESTY

DEFINITION

Academic Honesty means the use of one’s own thoughts and materials in writing papers, taking tests, and other classroom related activities. Any student intentionally aiding another student in any infraction of the academic honesty policy is considered equally guilty.

Students are expected to give full credit for the borrowing of other’s words or ideas. Intentional or unintentional use of another’s words or ideas without giving credit constitutes plagiarism:

There are four common forms of plagiarism:

- The duplication of an author’s words without quotation marks and accurate references or footnotes.
- The duplication of author’s words or phrases with footnotes or accurate references, but without quotation marks.
- The use of an author’s ideas in paraphrase without accurate references or footnotes.
- Submitting a paper in which exact words are merely rearranged even though footnoted.

Misrepresentation is the submission of materials for evaluation that are not the student’s own.

Unauthorized use of notes or another individual’s materials, copying, using another individual’s materials, or unauthorized prior knowledge of the contents of tests, quizzes or other assessment instruments shall be considered a violation of the academic honesty policy.

PENALTIES

The college expects academic honesty from its students. Procedures for dealing with intentional infraction of the academic honesty policy are:

First Infraction

For the first infraction of the academic honesty policy the faculty member shall give the student a “0” or its equivalent on the paper, examination, or presentation in question. The faculty member will notify the student and explain the reason for the grade. This action could result in a lower final grade. The appropriate division chairperson will be informed of the infraction in writing and the vice president of student services or designee will notify the student in writing of the consequences and implications of this infraction.

Second Infraction

The faculty member shall give the student a “0” on the paper, examination, or presentation in question. A second infraction of the academic honesty policy, either in the same course or in another course, will also result in an automatic “F” in the course in which the second infraction occurred. Upon written notification from the appropriate division chair that an academic honesty infraction occurred, and a determination is made that a second infraction has occurred, the vice president of student services or designee will notify the student of the “F” for the course and make the faculty member aware that a second infraction has occurred. The student will be dropped from the course and barred from further class participation. In cases where the second infraction occurs in the same
course, the faculty member will notify the student and explain the reason for the “F” in the course. Otherwise, the vice president of student services or designee will notify the student of the “F” in the course. The vice president of student services or designee will notify the registrar that the student is to receive an “F” for the course. The vice president of student services or designee will meet with the student involved and apprise the student of the implication of this second infraction.

Third Infraction

The faculty member shall give the student a “0” on the paper, examination, or presentation in question. The faculty member will notify the student and explain the reason for the grade. A third infraction of the academic honesty policy will also result in an automatic “F” in the course in which the third infraction occurred. Upon notification from the appropriate division chair that an academic honesty infraction occurred and a determination is made that a third infraction has occurred, the vice president of student services or designee will notify the student of the “F” for the course and make the faculty member aware that a third infraction has occurred. The student will be dropped from the course and barred from further class participation. The vice president of student services or designee will notify the registrar that the student is to receive an “F” for the course. A third instance of plagiarism or any behavior involving an infraction of the academic honesty policy will result in disciplinary action as determined by the student judicial process.

ACADEMIC STANDARDS

DEAN’S LIST FOR FULL-TIME STUDENTS

Students who have maintained at least 12 semester hours with a semester grade point average of 3.50 or better are eligible for nomination to the Dean’s List. Students cannot receive an F, I, or W grade for the semester to qualify for the Dean’s List. Students who have met the qualifications will be recognized as outstanding students by the college.

DEAN’S LIST FOR PART-TIME STUDENTS

Part-time students who have accumulated 12 or more semester hours with a semester grade point average of 3.50 or better are eligible for nomination to the Dean’s List for Part-Time Students. Students must complete a minimum of six credits in the semester under consideration and cannot receive an F, I, or W grade for that semester to qualify for the Dean’s List for Part-Time Students. Students who qualify for this list will be recognized as outstanding students by the college.

ACADEMIC STANDARDS

It is expected that students will make satisfactory progress each semester they are enrolled. Satisfactory academic progress (good standing) is demonstrated when students successfully maintain a cumulative grade point average (GPA) of at least a 2.00 or as defined below. At the end of the fall and spring semesters, the progress of each student will be reviewed. If a student’s cumulative GPA is below a 2.00, the student’s standing is determined by both attempted credits and a minimum cumulative GPA earned at HCC*:
• 12–15 attempted credits, a minimum cumulative GPA of 1.00 is required;
• 16–30 attempted credits, a minimum cumulative GPA of 1.50 is required;
• 31–40 attempted credits, a minimum cumulative GPA of 1.75 is required;
• 41 or greater attempted credits, a minimum cumulative GPA of 2.00 is required.

*Financial aid recipients are subject to additional standards of academic progress as required by federal Title IV regulations.

A student who has not achieved minimum cumulative GPA standards after 12 or more cumulative attempted credits will be placed on either academic warning or academic probation as described below.

ACADEMIC WARNING

After 12 credits are attempted, a student, who is not making satisfactory academic progress, is placed on academic warning. Students on academic warning will receive notification of their status and will be required to follow the intervention procedure outlined for them in their notification letter. Students who achieve at least a 2.00 semester grade point average remain on academic warning until reaching good standing. Students who fail to meet this requirement are placed on academic probation.

ACADEMIC PROBATION

Academic probation results when a student on academic warning fails to reach the prescribed minimum standard for cumulative GPA. It is recommended that students on academic probation meet with their assigned academic probation advisor at least once prior to registration for the next semester. Students on academic probation will be limited to eight credits. Students who achieve at least a 2.00 semester grade point average remain on academic probation until reaching good standing. Students who fail to meet this requirement are placed on academic suspension.

ACADEMIC SUSPENSION

A student on academic probation who fails to reach the prescribed minimum standard for cumulative GPA, and does not achieve at least a 2.00 semester GPA during the next major semester (fall/spring) in which enrolled, will be placed on academic suspension. When placed on academic suspension, the student may not attend HCC during the next major semester. Students have the right to appeal the first academic suspension.

Suspension Appeal

Details of the appeals process are included in the letter notifying the student of suspension. If a student’s appeal is granted, the student will be reinstated and placed on academic probation. A student suspended for academic reasons a second or subsequent time is not permitted to register for any courses for one full calendar year.

Reinstatement After Suspension

A student who has been suspended and has not been enrolled for one major semester or one full calendar year must contact retention services. Upon reinstatement, the student will be on academic probation, the course schedule will be restricted, and the student must meet the satisfactory progress standard as stated above. If satisfactory progress is not met, the student will be suspended.
STUDENT CODE OF CONDUCT

2. Occidental College, California
4. Columbus State Community College, Ohio
5. National Center for Higher Education Risk Management (NCHERM)

PURPOSE OF THE DISCIPLINARY SYSTEM
Human beings grow and mature in communities. Living in a community requires depending upon the knowledge, integrity, and decency of others. In turn, the best communities help individuals mold habits and values that will enable them to achieve the highest personal satisfaction, including the satisfaction associated with helping to make a better world.

The objectives of the conduct process at Howard Community College are:
1. To protect members of the campus community from harm resulting from the indiscretions of the few members of the community who are unable, or unwilling, to respect the rights of others;
2. To create an environment that enhances the opportunity for learning;
3. To protect the rights of members of the college community; and
4. To assure students due process when they have been accused of violating college rules and/or regulations

PROCEDURAL PROTECTIONS
Students accused of disciplinary violations are entitled to the following procedural protections:
• To be informed of the specific complaints against them.
• To be allowed to request an informal resolution of the complaint.
• To be allowed reasonable time to prepare a response.
• To hear and respond to all evidence upon which a charge is based.
• To call and question relevant witnesses.
• To be assured of privacy, in accordance with the terms of the Family Educational Rights and Privacy Act of 1974.
• To be allowed to request that any person conducting a disciplinary conference, or serving as a discipline committee member or chair, be disqualified on the grounds of personal bias.
• To be provided with a copy of these rights prior to any conference or discipline hearing.
• To be considered not responsible until proven responsible by a preponderance of the evidence.

AUTHORITY FOR STUDENT DISCIPLINE
Ultimate authority for student discipline is vested in the Board of Trustees of Howard Community College. Discipline authority has been delegated to college administrators, faculty members, and committees, as set forth in this code, or other appropriate policies, rules or regulations adopted by the board.
INHERENT AUTHORITY

The college reserves the right to take necessary and appropriate action to protect the safety and well-being of the campus community. Such action may include taking disciplinary action against those students whose behavior off college premises indicates that they pose a substantial danger to others.

Commentary:

The college will not routinely invoke the disciplinary process for student misbehavior occurring off college premises. Nonetheless, it will be necessary to endeavor to protect the campus community when there are reasonable grounds to believe that a student may pose a substantial danger to others. Normally, such “substantial danger” will be manifested by a pending criminal charge, usually relating to a crime of violence, burglary, substantial theft or fraud, the distribution of illegal drugs, or the possession of substantial quantities of illegal drugs.

STUDENT PARTICIPATION

Students are asked to assume positions of responsibility in the college student conduct system in order that they might contribute their skills and insights to the resolution of disciplinary cases. Final authority in disciplinary matters, however, is vested in the Board of Trustees, and in the college administration.

DEFINITIONS

When used in this code:

- The term “classroom, lab or office disruption” means behavior a reasonable person would view as substantially or repeatedly interfering with the conduct of class or lab, or official college business. Examples range from persisting in speaking without being recognized to resorting to physical threats or insults.

- The term “person of his or her choosing” includes students, faculty, staff, or others who provide advice to complainants or respondents. This person may not address hearing bodies, speak in disciplinary conferences, or question witnesses. Furthermore, third parties who are representatives of external organizations or who provide legal representation are not permitted in college disciplinary proceedings, whether informal or formal. However, legal representation is permitted when the student faces concurrent criminal charges.

- The term “college” means Howard Community College, college owned or controlled property, and all college departments, programs and college sponsored activities.

- The term “reckless” means conduct which one should reasonably be expected to know would create a substantial risk of harm to persons or property or which would otherwise be likely to result in interference with normal college or college-sponsored activities.

- The term “student” includes all applicants and persons taking courses at the institution, both full-time and part-time, pursuing credit and noncredit programs sponsored by the institution.

- The term “college premises” means buildings or grounds owned, leased, operated, controlled, or supervised by the college.

- The terms “college-sponsored activity” means any activity on or off college premises that is specifically initiated or supervised by the college.
• The term “complainant” usually means a person who filed the complaint against the student/respondent. In matters of serious misconduct requiring a hearing by the discipline committee, the complainant may be the vice president of student services or designee recommending suspension or expulsion.
• The term “respondent” is defined as the student accused of violating the student code of conduct.
• The term “preponderance of evidence” means information that would lead a reasonable person to conclude that it is more likely than not that a student violated the student code of conduct.
• The term “will” is used in the imperative sense. The term “may” is used in the permissive sense.

VIOLATIONS OF THE LAW AND COLLEGE REGULATIONS
Students may be accountable to both civil authorities and to the college for acts that constitute violations of law and this code. Disciplinary action at the college will be independent and will normally proceed during the pendency of criminal proceedings, and will not be subject to challenge on the ground that criminal charges involving the same incident have been dismissed or reduced.

STUDENT GROUPS AND ORGANIZATIONS
Student groups and organizations may be charged with violations of this code. A student group or organization and its officers may be held collectively and individually responsible when violations of this code, by those associated with the group or organization, have received the consent or encouragement of the group or organization or of the group’s or organization’s leaders or officers.

CODE VIOLATIONS
Howard Community College expects its students to adhere to high standards of honor and good citizenship. Students must conduct themselves in a responsible manner, which reflects credit upon themselves and the college. Acts of misconduct subject to disciplinary action include but are not limited to the following:
• Academic dishonesty (see section on academic honesty).
• Forgery or alteration of college records or college identification cards.
• Intentionally furnishing false information to the college.
• Deliberate destruction of, damage to, malicious misuse of, or abuse of property. (Students are financially liable for the repair or replacement of property when the damage is a result of their willful destruction, reckless and intentional behavior, or malicious misuse.)
• Sexual assault, sexual harassment and sex offenses as defined by Maryland state law (see section on sexual harassment).
• Physical abuse, threat, harassment, aggressive or threatening behaviors, or stalking of any member of the college community or visitor to the college, or conduct which threatens or endangers the health or safety of such person. Students are not permitted to contact faculty or staff members off campus, unless prior permission is given and communication is necessary and related to academic issues.
• Theft of college or private property which is physically located on college-owned or controlled property.
• Theft or unauthorized use of another individual’s identity, password, and/or access information and the identity theft of any member of the college community or visitor to the college.
• Misuse of HCC’s computer network, equipment, and Internet access for other than educational purposes. This includes, but is not limited to the following: (1) copying or duplicating proprietary software or files stored on college-owned computers that are protected by copyright laws; (2) transmission of communication in any form (e.g., text, images, sound) where the content, meaning, and/or distribution of the message would violate applicable law or regulation, or be deemed obscene or threatening; or (3) any violation of HCC’s Acceptable Use of Technology Policy.
• Disorderly, disruptive, obscene or indecent conduct on college-owned or controlled property, or at off-campus functions sponsored by, or participated in by the college.
• Illegal manufacture, distribution, or use of alcoholic beverages, narcotics, marijuana, hypnotics, sedatives, tranquilizers, stimulants, hallucinogens, and other similar known harmful or habit-forming drugs or chemicals, and the abuse or misuse of prescriptions or over-the-counter medications or chemicals on college-owned or controlled property.
• Drunkenness or being under the influence of illegal drugs on college-owned or controlled property or during an off-campus college sponsored activity.
• Intentional violation of the college policy on controlled substances and alcohol.
• Obstruction or disruption of teaching, research, administration, disciplinary procedures, or other college activities, including the college’s public service functions or other authorized activities on college-owned or controlled property.
• Participation in, or organization of, any unauthorized activity to interrupt the functions of the college.
• Intentionally and substantially interfering with the freedom of expression of others.
• Illegal or unauthorized possession or use of knives, firearms, fireworks, explosives, dangerous chemicals, or arms classified as weapons on college-owned or controlled property. An instrument designed to look like a weapon, which is used by a student to cause reasonable apprehension or harm, is expressly included within the definition of weapon. Note: Students who are employees of law enforcement organizations and are required to carry a weapon on campus must notify the director of security in writing of their intent to carry a licensed weapon at the beginning of each semester. Failure to disclose this information is a violation of this code.
• Unauthorized entry to or use of college-owned or controlled facilities, including all buildings and grounds.
• Demonstrations that interfere with the rights of other members of the college community or with the normal function of the college.
• Deliberate disobedience or resistance of properly identified college authorities acting in the line of duty.
• Initiation of, or causing to be initiated, any false report, warning, or threat of fire, bomb explosion, or other emergency.

• Unauthorized or fraudulent use of the college's facilities and equipment, including but not limited to the phone system, mail system, computer system, and transportation system.

• Hazing. This includes any act or causing any situation which recklessly or intentionally subjects a student to the risk of bodily injury or endangers the mental or physical health or safety of a student for the purpose of initiation or admission in a student organization.

• Unattended Children. Students must not bring children under the age of 16 on campus and leave them unattended while attending classes or campus activities. Students who violate this policy may be subject to the penalties of the Family Law Article, Section 5-801, et seq. This restriction does not apply to younger students enrolled under special admission procedures.

• Bringing children to class.

  Commentary:
  The college recognizes students may have difficulty with day care for their children; however, HCC views the classroom as an adult-learning environment, and one that should be free from potential distractions.

• Classroom, office, or lab disruption.

• Knowingly violating the terms of any disciplinary sanction imposed in accordance with this code.

• Failure to identify oneself when requested by a college official, security officer, or faculty member. College officials may question students or campus visitors when there is a reasonable basis for believing that the person being stopped has committed an offense against the rules of the college or the State of Maryland.

• Gambling on college-owned or controlled property.

• Excessive parking violations (see section on parking).

• Excessive smoking violations (see section on smoking).

• Smoking in any classroom, building, or areas other than those designated as smoking areas.

• Use of cellular phones or pagers during class. Students who must bring such devices to class must disengage or place devices on an audible signal so as not to disturb or interfere with classroom activities. These devices may not be used in the classroom.

• Any unauthorized audio or video recording of any person on college premises or at college sponsored activities at other sites, without his/her prior knowledge or without his/her consent when such a recording has the potential to cause injury or distress. Students with disabilities who have been vetted through the office of Disability Support Services to record lectures must notify their instructor via their accommodation memo of their intent to record and are restricted to using these recordings for educational purposes only. All other students who wish to record lectures must obtain prior permission from their instructors authorizing audio and/or video recording and are restricted to using these recordings for educational purposes only.

• Any act or behavior which fails to comply with or violates the rules of the college or laws of the state of Maryland or of the United States.
STANDARDS OF CLASSROOM BEHAVIOR

Primary responsibility for managing the classroom environment rests with the faculty. Students who engage in any prohibited or unlawful acts that result in disruption of a class may be directed by the faculty member to leave the class for the remainder of the class period. Longer suspensions from a class or dismissal on disciplinary grounds must be preceded by a hearing or disciplinary conference, as set forth in the student judicial process.

Commentary:
The term “prohibited acts” would include behavior prohibited by the teacher (e.g., eating in the classroom, persistently speaking without being called upon, refusing to be seated, disrupting the class by leaving and entering the room without authorization, etc.). It must be emphasized that this provision is not designed to be used as a means to punish classroom dissent. The lawful expression of a disagreement with the teacher’s viewpoint is not itself “disruptive” behavior.

STUDENT JUDICIAL PROCESS

POLICY

Howard Community College will not tolerate violations of accepted standards of student behavior.

When such violations occur, the college will take appropriate disciplinary action. The college has adopted procedures to allow due process, as required by law.

CASE REFERRALS

Any member of the college community may refer a student, student group, or organization suspected of violating this code to the vice president of student services or designee. All case referrals must be submitted in writing.

Those referring cases are normally expected to serve as the complainant, and to present relevant evidence in hearings or conferences.

DISCIPLINE HEARING REFERRALS

The vice president of student services or designee will conduct a preliminary review to determine whether the alleged misconduct might result in expulsion or suspension from the college. Students subject to suspension or expulsion will be entitled to a hearing before the discipline committee. Cases not so referred will be resolved after an informal disciplinary conference with the vice president of student services or designee.

DISCIPLINARY CONFERENCE

Students accused of offenses that may result in penalties less than suspension or expulsion, are subject to a disciplinary conference with the vice president of student services or designee. The following procedural protections are provided to respondents in disciplinary conferences:

• Written notice of the specific complaint at least two business days prior to the scheduled conference.
• Reasonable access to the case file prior to and during the conference. The case file consists of materials which would be considered “educational records,” pursuant to the Family Educational Rights and Privacy Act of 1974. Personal notes of college staff members or complainants are not included.
An opportunity to respond to the evidence and to call appropriate and relevant witnesses.

A right to be accompanied by a person of his or her choosing, as defined in this code.

Commentary:
The conference procedure is designed to reduce unnecessary proceduralism and contentiousness in disciplinary proceedings. A disciplinary conference will normally consist of an informal, non-adversarial meeting between the respondent and the vice president of student services or designee. Complainants would not be required to participate, unless questioning was necessary to resolve a dispositive factual issue. Documentary evidence and written statements could be relied upon, so long as the respondent was given access to them in advance, and allowed to respond to them at the conference. Respondents would also be allowed to call relevant witnesses.

The vice president of student services or designee may impose judicial sanctions based on presented evidence in the absence of the respondent. This type of disciplinary action may be imposed for offenses that may result in penalties less than suspension or expulsion.

INTERIM SUSPENSION
The vice president of student services or designee may suspend a student from the college for an interim period pending disciplinary or criminal proceedings, or medical evaluation. The interim suspension will become immediately effective without prior notice whenever there is evidence that the continued presence of the student at the college poses a substantial and immediate threat to himself or herself or to others, or to the stability and continuance of normal college functions.

A student placed on interim suspension who is unable to complete course work for the semester in which the interim suspension was issued will be given a “W” grade(s).

A student suspended on an interim basis will be given a prompt opportunity to appear personally before the vice president of student services or designee in order to discuss the following issues:

• The reliability of the information concerning the student’s conduct, including the matter of his or her identity.

• Whether the conduct and surrounding circumstances reasonably indicate that the continued presence of the student on college premises poses a substantial and immediate threat to himself or herself, to others, or the stability and continuance of normal college functions.

DISCIPLINE COMMITTEE
In the event that a discipline hearing is necessary, the vice president of student services or designee will contact the chairperson of the discipline committee within seven business days to initiate the discipline process. The chairperson of the discipline committee will confer with committee members, set a hearing date, and notify the accused and committee members in writing. The notification will include the specific violation of the student code of conduct.

Membership
The discipline committee will be formed at the beginning of each semester at the request of the vice president of student services or designee. The committee consists of, but is not limited to five members. Three members
will be faculty and/or administrators, one of whom will serve as chair. Two members will be students. A quorum consists of the chair and two members of the committee, at least one of whom will be a student.

Faculty members will be selected by the appropriate division chairperson, as needed, upon request by the vice president of student services or designee. Student members will be selected by the student government association and the director of student life, as needed.

Members of this committee who do not feel that they can render an impartial decision in regard to a specific case may be excused if they give notice to the chairperson of the committee prior to the notification of the scheduled hearing of the accused. The chairperson will contact the constituency for the selection of an alternate. The respondent or complainant may request the replacement of any member of the committee if evidence of personal prejudice is provided. Objections to a committee member must be stated in writing and submitted to the committee five business days after notification. A decision will be rendered by the chairperson of the committee.

**Meeting Structure**

Discipline committee meetings will be closed. The assistant to the vice president of student services or designee serves as a recorder during discipline hearings. Hearings will be taped or transcribed. A copy of the tape will be made available to the respondent upon written request.

The chairperson of the committee will notify the respondent of all charges, membership, and hearing date in writing at least 10 business days in advance of the scheduled hearing.

Failure of the respondent to appear at the hearing, after proper notice, will result in the committee making a decision in the respondent’s absence.

Prior to the hearing, the respondent may obtain copies of photographs, documents, or other tangible objective evidence to be introduced by the complainant. If new evidence comes to light during the hearing, a recess may be granted upon request.

The respondent has the right to be accompanied and advised by a person of his or her choosing. Only the respondent, the complainant, and witnesses can participate in the proceedings. Furthermore, legal representation is not permitted in college disciplinary proceedings, whether informal or formal. However, legal representation is permitted when the student faces concurrent criminal charges.

The committee may request the appearance of any person that each party wishes to have appear and testify. The committee has no authority to compel the appearance of any person who is neither respondent nor complainant. The chairperson of the committee will have the duty of maintaining order at the hearing and will have the right to exclude any party or witness from the hearing, temporarily or permanently.

**Order of Presentation:**
1. Chairperson’s opening remarks.
2. Opening statements of complainant and respondent, if desired by each.
3. Presentation of evidence by complainant, then respondent.
4. Questions by members of the hearing panel.
5. Closing statement by the complainant and the respondent.
6. Private deliberation by the committee.
7. Committee decision.

Evidence will include all facts based on oral testimony of witnesses who are present before the committee and all tangible objective evidence including photographs, charts, papers, electronic or other recorded statements. Written statements by witnesses not present at the hearing may be admitted into evidence, but the committee will decide how much weight, if any, will be given to such statements.

Evidence of a student’s past record may be introduced if a pattern of similar behavior has been demonstrated. The sanction phase of the hearing will consider evidence of pattern behavior.

- Any party may present witnesses subject to the right of questioning by other parties.
- Witnesses are excluded from the hearing room, but brought in individually before the committee to provide testimony. (This provision does not apply to the complainant and respondent.)
- At the close of all testimony and after the admission of all evidence, the complainant and the respondent will be allowed a closing statement. Closing statements may include a summation of all evidence (as admitted) and arguments or theories behind the stated position of each side.

The committee will, after hearing all evidence and summations, retire to a room or area for deliberation. The chairperson of the committee will announce the decision promptly. The committee will issue and make available a written report which is shared with all parties, including the complainant. The chairperson of the committee will notify the accused of the decision in writing within two business days.

**INSTITUTIONAL SANCTIONS**

Significant mitigating or aggravating factors will be considered when sanctions are imposed, including present demeanor and past disciplinary record of the offender, as well as the nature of the offense, and the severity of any damage, injury or harm resulting from it. In addition to discretionary sanctions, the following are possible institutional sanctions in order of greater severity:

1. Letter of warning.
2. Restitution of property or personal relationships with others, denial of certain privileges, or restriction of activities.
3. Disciplinary probation: Prohibits the student from representing the college or participating in student activities. Probation also subjects the student to immediate suspension if found in violation of another offense during the period of probation.
4. Suspension: Exclusion from college premises, and other privileges or activities, as set forth in the suspension notice.
5. Expulsion: Permanent termination of student status, and exclusion from college premises, privileges and activities.

Discretionary sanctions include, but are not limited to, work assignments, essays, service to the college, mandated counseling, workshop attendance, and/or behavioral contracts and monitoring or related activities.

Commentary:

*Students who are members of the Silas Craft Collegians program, Rouse Scholars*
program, athletic teams, or other learning communities at the college may be subject to additional disciplinary action as set forth by the rules of those organizations. These organizations will be informed of any infractions.

**APPEALS**

Any disciplinary determination resulting in suspension or expulsion from the college may be appealed by the respondent to the vice president of student services. The appeal must be in writing, sent to the office of the vice president of student services by certified mail, return receipt requested. The appeal must be received by the office of the vice president of student services within 10 business days after the notice of suspension or expulsion was delivered to the address on record for the student in the office of records and registration.

The vice president of student services will act on appeals based upon the report filed by the hearing committee chairperson, the student’s written brief, and any written response or memorandum prepared by college officials. All written materials considered by the vice president of student services will be subject to inspection, in accordance with the Family Educational Rights and Privacy Act of 1974 (FERPA). New evidentiary hearings will not be conducted in appeal.

The following standards will apply when appeals are considered:

- Sanctions may be reduced or removed if found to be substantially disproportionate to the offense.
- Cases may be remanded for rehearing only if specified procedural errors or errors in interpretation of college regulations were so substantial as to effectively deny the student a fair hearing, or if new and significant evidence became available that could not have been discovered by a properly diligent student before or during the original hearing.
- Cases may be dismissed if the finding is held to be unsupported by any evidence.

**DISCIPLINARY FILES AND RECORDS**

Case referrals may result in the development of a disciplinary file in the name of the accused student, which will be voided if the student is found innocent of the charges. Voided files will be so marked, will not be kept with active disciplinary records, and will not leave any student with a disciplinary record. Voided files will normally be destroyed after three years.

The files of students found guilty of any charge will normally be retained as a disciplinary record for seven years from the date of the letter providing notice of final disciplinary action. Files of students who are suspended or expelled will be maintained indefinitely.

Disciplinary records may be voided by the vice president of student services or designee, for good cause, upon written petition of the respondent. Factors to be considered in review of such petitions include:

- The present demeanor of the student.
- The conduct of the student subsequent to the violation.
- The nature of the violation and the severity of any damage, injury, or harm resulting from it.
ACADEMIC IMPACT

A student suspended as a result of the student judicial process may be entitled to complete his/her academic work, including examinations during the regular term without extension of time. Since the student is prohibited from entering the campus without permission, coordination will be through the office of the vice president of student services and the division chair will be notified. An expelled student has no right to complete academic work.

CAMPUS CRIME REPORTS AND REGISTERED SEX OFFENDER INFORMATION

In accordance with the Campus Sex Crimes Prevention Act, the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act and the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, colleges and universities are required to disclose certain timely and annual information about campus crime, security policies and procedures, and registered sex offenders. Schools must publish an annual report every year by October 1st that contains 3 years of campus crime statistics and certain security policy statements. This report is made available to all students and employees at http://www.howardcc.edu/students/security/.

The Act amends the Family Educational Rights and Privacy Act of 1974 to clarify that nothing in that Act may be construed to prohibit an educational institution from disclosing information provided to the institution concerning registered sex offenders; and requires the secretary of education to take appropriate steps to notify educational institutions that disclosure of this information is permitted.

To find the sex offender registry for Maryland, go to www.dpscs.state.md.us/sorSearch or access the web link through HCC’s website security page listed above. This site provides information on registered sex offenders enrolled and/or employed at all Maryland institutions of higher education.

For Employees: Supervisor are responsible for reviewing the aforementioned website prior to approving the hire of any employee since convicted sex offenders are not permitted to work for Howard Community College. The college will not hire any convicted sex offender; therefore, sex offenders should not apply for vacant positions. Every applicant is required to complete an “application for employment,” which requires reporting criminal convictions. A sex offense conviction will make the applicant not eligible for employment or an employment interview. Failure of an employee to report a sex offense conviction during the application process or during his or her term of employment will result in immediate job termination.

For Students: Sex offenders are required to register at the college’s security office prior to registering for any course or program at HCC. Disclosure of information provided to the security office will be provided to the Vice President of Administration and Finance and the vice president of student services accordingly. Additional campus notifications will be initiated as deemed necessary. Failure to register with the college’s security office will result in disciplinary action including
expulsion, as outlined in the Student Code of Conduct.

STALKING AND HARASSMENT POLICY

Stalking, cyber stalking, and harassment are criminal offenses under Maryland state law (MD Criminal Law Code 3-802; 3-803; HB 593; Annotated Code of Maryland, Article 27, 121B). Incidents of stalking that occur outside the state of Maryland may be admissible in court. Stalking, cyber stalking, and harassment are prohibited at Howard Community College (HCC). In its mission to create an environment that inspires learning and the lifelong pursuit of personal and professional goals, HCC is committed to providing a safe and secure learning and working environment that is free from stalking, harassment, and other threats. According to Maryland state law, an individual who is found guilty of stalking is guilty of a misdemeanor and, if convicted, is subject to penalty according to state law.

Howard Community College and the State of Maryland define stalking as "a malicious course of conduct that includes approaching or pursuing another where the person intends to place or knows, or reasonably should have known, the conduct would place another in reasonable fear of serious bodily injury, an assault in any degree, rape or sexual offense, false imprisonment, and/or death."

Harassment is defined as following another person in or about a public place or maliciously engaging in a course of conduct that alarms or seriously annoys them with the intent to do so after receiving a reasonable warning or request to stop.

DEFINITIONS
Stalking, cyber stalking, and harassment behaviors may include, but are not limited to, the following:

- Repeated, unwanted/unsolicited contact that includes face-to-face contact, telephone calls, voice messages, text messages, electronic mail, instant messages, written letters, or unwanted gifts;
- Repeated, unwanted/unsolicited communication on public and college community internet sites;
- Disturbing messages online;
- Persistent physical approaches and/or requests for dates, meetings, etc.;
- Threats that create fear for one's life or safety, or fear for the safety of one's family, friends, roommates, or others;
- Unwanted touching;
- Pursuing or following another person; repeatedly showing up or waiting outside a person's home, classroom, place of employment, or car;
- Using surveillance or other types of observation, either in person or through the use of electronic devices or software to track or obtain private information;
- Harassing another person, either in person or through a third party;
- Use of threatening gestures;
- Trespassing or breaking into a person's car or residence; or
- Vandalism and/or destruction of a person's personal property.

The scope of the HCC stalking policy applies to all students, faculty, staff, contract employees, visitors, and administrators equally. Engaging in stalking (including cyber stalking) and harassment is a violation of HCC standards of conduct. The college reserves the right to administer
additional sanctions to an offender if the incident affects the academic and/or work environment of the college. College disciplinary procedures are independent of any and all criminal procedures. A substantiated charge against an employee of the college will subject that employee to disciplinary action, which may include dismissal. A substantiated charge against a student of the college will subject that student to disciplinary action including suspension or expulsion.

SEXUAL HARASSMENT

Howard Community College recognizes that sexual harassment seriously damages the integrity of the educational institution, destroys the institution’s positive work and educational atmosphere, and causes psychological and physiological damage to the victim. The college condemns such illegal activity and is strongly committed to promoting an educational and work environment free from sexual harassment. For the purpose of these guidelines, the board adopts the sexual harassment definition promulgated by the United States Equal Employment Opportunity Commission (EEOC).

It is a violation of this policy for any member of the college staff to harass a student or employee through conduct or communications of a sexual nature as defined below. It is also a violation of this policy for students to harass other students through conduct or communications of a sexual nature as defined below or for students to harass staff.

Definitions

Unwelcome sexual advances, requests for sexual favors and other inappropriate oral, written or physical conduct of a sexual nature when made by a member of the college staff to a student or another employee or when made by a student to another student or to staff, constitute sexual harassment when:

1. submission to such conduct is made, either explicitly or implicitly, a term or condition of an individual’s education or employment;
2. submission to or rejection of such conduct by an individual is used as the basis for academic or employment decisions affecting that individual; or
3. such conduct has the purpose or effect of substantially interfering with an individual’s academic or employment performance or creating an intimidating, hostile or offensive academic or employment environment.

Sexual harassment, as defined above, may include but is not limited to the following: verbal harassment or abuse; pressure for sexual activity; repeated remarks to a person, with sexual or demeaning implications; unwelcome touching; and suggesting or demanding sexual involvement accompanied by implied or explicit threats concerning one’s grades, job, etc.; displaying of pornographic or sexually suggestive images in a place or manner where others could view such images and be offended; using sexually suggestive language in a place or manner where others could hear such language and be offended.

The college, upon receiving a sexual harassment complaint will ensure that: 1) the right to confidentiality, both of the complainant and of the accused, will be respected consistent with the college’s
legal obligations, and with the necessity to investigate allegations of misconduct and take corrective action when this conduct has occurred; 2) persons filing complaints of sexual harassment will be protected against reprisals, but that the deliberate filing of false accusations of sexual harassment will be condemned and may lead to possible disciplinary action.

A substantiated charge against an employee or student of the college will subject that person to disciplinary action.

**DISCRIMINATION COMPLAINT PROCEDURES**

The following procedures are adopted to process complaints alleging violations of the college’s policies on Non-discrimination, Equal Employment Opportunity, Equal Education Opportunity, Affirmative Action or Sexual Harassment, and will be in addition to any complaint or charges an employee, applicant or student files with state or federal agencies. These procedures apply to all complaints of discrimination or harassment made against either an employee or a student. Howard Community College will conduct its own investigation and will respond to the complaint, regardless of the reporting party.

Any student who alleges a violation of the college policy on Non-discrimination, Equal Employment Opportunity, Equal Educational Opportunity, Affirmative Action or Sexual Harassment should file a complaint with the vice president of student services. In cases where a complaint has been made against a student, the vice president of student services or designee will initiate the fact-finding process, which will be in accordance with the student judicial process, as defined in the student code of conduct. The decision of the vice president of student services is final. All parties and staff will keep the complaint, fact-finding process and conferences or hearings confidential, except to the extent that it is necessary to investigate and process the complaint. Furthermore, all student records and access to student records will comply with the Family Educational Rights and Privacy Act of 1974 (FERPA).

Persons filing complaints of harassment or discrimination will be protected against reprisals by actions that are appropriate to the circumstances. Those persons filing deliberate false complaints will be subject to disciplinary action.

Substantiated complaints of violation of the above referred to policies may subject the offending party to disciplinary action, which may include dismissal from the college.

**AFFIRMATIVE ACTION/EQUAL OPPORTUNITY**

Howard Community College is committed to provide equal opportunity through its employment practices, educational programs, admissions and the many services to the community. It is the policy of the college to abide by all applicable requirements of federal and state law so that no person shall be discriminated against on the basis of race, sex, age, religion, ethnic background, marital status, sexual orientation, political persuasion or disability. The college will adhere to applicable laws and regulations affecting
affirmative action and equal employment opportunity.

The Board of Trustees has committed the college to undertake an affirmative action program to expand equality of opportunity and to initiate the recruitment of minorities. The program has been designed to ensure equality of opportunity in employment as well as to develop and maintain educational programs and services for our many diverse populations.

CONFIDENTIALITY OF STUDENT RECORDS

The student record at the college is confidential and includes only that information relevant to the educational process. The policy and procedures concerning the release and confidentiality of student records are in compliance with the U.S. Department of Education guidelines for the “Family and Educational Rights and Privacy Act of 1974,” known as the Buckley Amendment. Please see page 123, under Records and Registration, for additional information.

DRUG AND ALCOHOL-FREE CAMPUS

It is the intent and obligation of the college to provide a drug-free, healthy, safe and secure educational environment. Students are expected to contribute to the desired environment by conducting themselves within the guidelines of the student conduct code.

The unlawful manufacture, distribution, sale, possession, or use of illicit drugs and the illegal use of alcohol on campus or as a part of any Howard Community College activity whether on or off college premises is prohibited. Violations of this policy will result in disciplinary action consistent with college policy and procedures. In addition, any violations may have legal consequences consistent with federal, state and local law and the college will cooperate with appropriate health and law enforcement agencies.

The college recognizes drug or alcohol abuse as an illness and major health problem as well as a potential safety and security issue. Students and employees who need help in dealing with such problems are encouraged to use their health insurance plans, the college Academic Support, Counseling and Career Services Office, and other appropriate community agencies. A list of other county agencies, and descriptions of various health risks associated with the use of illicit drug or alcohol abuse, is available in the offices of the Academic Support, Counseling and Career Services, Student Life, Human Resources, and the Athletic Department.

Voluntary participation in an assistance program in and of itself will not jeopardize enrollment at the college and will not be noted in any student record provided that behavior is consistent with established standards. However, voluntary participation in an assistance program will not prevent disciplinary action for violation of this policy, nor will it prevent corrective action for behavior problems before, during or after participation in an assistance program.

For further information, pick up one of our Drug-Free Campus brochures in the Office of Student Life or Security Office. The brochure includes the effects and corresponding names of a variety
of drugs and lists local service agencies which provide assistance and support to those seeking help.

ACADEMIC PROCEDURES

LEARNING OUTCOMES

Howard Community College is committed to the philosophy of educational accountability. In order to determine that students are attaining the knowledge and skills appropriate to various courses and programs, regular and planned assessment activities occur.

The assessment activities may take diverse forms including standardized assessments, placement tests, faculty-developed evaluations, focus sessions, and surveys. The college believes that such input is vital to its responsibility to maintain quality instruction. Therefore, class time may occasionally be used for these activities and it is expected that students will participate in the processes when asked. Confidentiality of responses is ensured. Entering freshmen and graduating students may be required to take a standardized test of general education skills.

ACADEMIC COMPLAINTS

A student who has an academic complaint, including a specific academic complaint involving a faculty member, that remains unresolved through informal means, may enter into a formal process of problem resolution.

The student academic complaint procedures and the appropriate form may be obtained from the division offices or the counseling center. An academic complaint is defined as an issue related to classroom instruction or a grade dispute, including late penalties, acceptance or non-acceptance of late assignments and incomplete grades.

A student wishing to initiate a formal academic complaint must submit an
academic complaint form no later than the end of the seventh week of the next full semester.

1. The student must begin the formal complaint process by scheduling an appointment with the instructor to discuss the problem. Many times misunderstandings can be resolved by honest, open dialogue.

2. If the student cannot resolve the problem during the meeting with the instructor, the student may schedule an appointment to see the appropriate division chair or associate division chair. Prior to scheduling the appointment, the student must submit the student academic complaint form, including a written description of the problem, the resolution the student is requesting, and the signature of the instructor to confirm that the required meeting has taken place. An appointment will be made when the division chair or associate chair has received written reports from both the student and the instructor.

3. If the concern is not resolved at the division chair level, the student’s written complaint, the instructor’s written response and the chair’s or associate chair’s recommendation will be forwarded to the vice president of academic affairs. At this stage in the academic complaint process, the student has the right to meet with the vice president of academic affairs to present additional support for the complaint, but the student is not required to do so. That appointment must be made within two weeks of the meeting with the division chair or associate chair. If the student has not made contact within two weeks, the student has waived the right to the meeting. After that two-week period, the vice president of academic affairs will make a judgment on the case.

4. The decision of the vice president of academic affairs is final. This decision will be communicated to the student in a formal correspondence.

**GRADING AND ATTENDANCE POLICY**

The methods for evaluation and grading within a course will be clearly stated in the course syllabus. Evaluation procedures will be objective and appropriately related to the course’s objectives and content.

Howard Community College does not have a college-wide attendance policy; however, regular class attendance is one of the most important responsibilities of the student. Each instructor determines the requirements for attendance, which in many cases will count toward the final grade. Attendance requirements will be clearly spelled out in the course syllabus and discussed by the instructor.

**CLASS CANCELLATION**

It is the expectation that faculty will conduct all assigned classes as scheduled. Classes will be cancelled only in the case of an emergency or with prior approval of the division chair.

In the case of an emergency, faculty are required to contact the appropriate division chair or division office as soon as the faculty member becomes aware that he/she is unable to meet with the class. The faculty member should assist the division chair in finding an appropriate substitute. An official class cancellation notice will be posted on the class door to notify students.
In the event that a faculty member needs to be absent from class for other professional reasons, the faculty member should discuss the reasons with the division chair as soon as possible. Provision of alternate faculty coverage should be decided with the division chair. It is important that the division chair and the division office be aware of such class changes so that student questions or concerns can be properly addressed.

NON-ACADEMIC COMPLAINTS

Procedures for students to address non-academic complaints are addressed in the student handbook. These procedures are reviewed annually prior to publication of the student handbook.

NON-ACADEMIC COMPLAINT PROCEDURES

Procedures for resolution of student concerns involving student services are as follows:

1. Students should make an appointment with the appropriate administrator or staff member to discuss the problem. (Refer to the section titled "Who Do I See?" on page 131.)

2. If the student cannot resolve his/her problem by meeting with the administrator or staff person, the student may make an appointment with the staff member’s immediate supervisor.

3. If the concern is not resolved at the administrator or supervisor level, the student may make an appointment to see the vice president of student services or designee.

4. The vice president of student services’s decision is final.

The vice president of student services or designee is available for advocacy or advice should students feel the need for additional assistance relative to college policy and regulations.

RECORDS AND REGISTRATION APPEALS COMMITTEE

A student who has an unexpected life event (illness, death of family member, or other extenuating circumstances) during a semester may request an exception to Howard Community College’s dates and deadlines. In such circumstances, the student should submit a written request using the appeal form available online and from the Office of Records, Registration and Veterans Affairs, along with supporting documentation. Appeals must be submitted no later than the end of the seventh week of the next full semester. Academic appeal is a two-level process. The appeals committee makes their determination based on documentation of extenuating circumstances as cited in the student’s appeal request. If a student is not satisfied with the decision, the next level of appeal is made to the Registrar.

INSURANCE

Howard Community College does not provide medical coverage for students who are accidentally injured during classes or who suffer injuries as a result of incidents between students. All students are encouraged to obtain their own medical insurance, especially if they participate in classes and/or activities which require physical activity or exposure to other health risks (e.g. nursing classes, science labs, physical education activities, dance and theater
classes, clubs and student government activities, etc.).

Nursing and allied health students are required to meet specified health requirements. Documentation is required for proof of freedom from TB and immunity to rubella, rubeola, mumps, and varicella through vaccination or titer. Hepatitis B vaccine (HBV) or declination is also required and immunization for tetanus.

The college does not administer a student medical insurance plan. Information on how students can obtain health insurance on their own is available in a brochure entitled “Student Health Insurance Plans.” This brochure can be found in the following offices:

- Student Life
- Welcome Center
- Admissions
- Academic Support/Career Services
- Financial Aid
- Learning Assistance Center
- Health Sciences Division
- Continuing Education and Workforce Development

International students attending the college on F-1 student visas are required to have health insurance that provides coverage for health care in the United States. For further information about these requirements, contact the Office of Admissions and Advising.

LOST AND FOUND

The lost and found is located in the Security Services office. All items not claimed within 30 days may be claimed by the finder.

NON-STUDENTS ON CAMPUS

Action may be taken against any and all persons who have no legitimate reason for their presence on campus. Although such persons are not subject to college sanctions, they will be subject to the relevant sanctions of the penal code of Maryland which concerns loitering and trespassing.

STUDENT ID CARDS, ID NUMBERS AND IDENTITY PROTECTION

Howard Community College has established processes to enable student to protect identity and confidentiality rights. Students are expected to have their college photo ID cards with them at all times when on campus. If a security officer requests that a student to show their ID, they are expected to comply. These cards are required to transact most college business, to utilize certain college facilities, such as but not limited to the athletic and fitness center and computer labs and to attend college functions. They are also required to check out materials in from the HCC Library.

ID cards are issued to students at the Security Office (RCF-117) after registering for classes. Students must have their card re-validated following registration each term.

To obtain an ID card, you need:
- Proof of HCC enrollment (tuition receipt or class schedule)
- A valid photo ID
- Vehicle Parking Permit Number and Vehicle tag number

All students are responsible for knowing their student ID number, which is required for many transactions. Whenever possible, students are urged
to provide their student ID number rather than their social security number (SSNs should only be provided when required; for example, for certain financial aid documents). Students are also strongly advised to safely maintain all documents that have identifying information on them, especially ID cards or SSN.

TRAFFIC RULES AND REGULATIONS

The following regulations apply to all persons who operate a motor vehicle or bicycle on any part of the Howard Community College campus and supersede any expressed or implied regulations previously issued.

Regulations are intended to inform visitors, staff and students of available parking facilities on campus, and define authorization of use for each area; promote pedestrian and vehicular safety; and ensure access at all times for ambulance; fire fighting equipment and any other emergency vehicles. All vehicle operators are subject to Howard Community College’s traffic rules and regulations while on campus. Any vehicle found in violation of these regulations is subject to receiving a Howard Community College parking citation and possible removal at the owner’s or operator’s expense. Vehicle and traffic violations include the following:

• Pedestrians must be given the right of way at all times.
• Vehicle speed and manner of operations should be conducive to safe operation with consideration of weather and road conditions and pedestrian traffic. Maximum speed is 20 miles per hour.
• All traffic signs must be obeyed at all times.
• All security officers directing traffic must be obeyed at all times.

PARKING

Parking is defined as stationing a vehicle, with or without a driver in attendance and irrespective of time of day or length of time the vehicle is stationed. All students driving vehicles on campus are required to register their vehicles. Parking hang tags are obtained from the Security Office in the Rouse Company Foundation building. The responsibility of finding a legal parking space rests with the motor vehicle operator. It is impossible to mark with signs or paint curbs in all areas of the college where parking is prohibited; parking is therefore restricted to designated parking areas only. Lack of space is not considered a valid excuse for violation of these regulations. The fact that one disregards any regulations and does not receive a citation does not mean that the applicable regulation is no longer in effect.

• Parking regulations are in effect 24 hours per day, seven days per week.
• Vehicles must park in such a manner as to utilize only one parking space.
• Some parking lots may have designated parking spaces for low emission/high efficiency vehicles as well as parking spaces designated for carpools. These spaces are marked in the lots. Carpool users will need to obtain a pass from security to park in the carpool spaces. Low emission/high efficiency vehicles are listed at www.greenercars.org. Cars parking in the carpool spaces that do not have appropriate passes and cars parking in the low emission/high efficiency

86
vehicle spaces that do not meet the standards will be ticketed.

- Parking is limited to designated parking areas only; as it is impossible to mark all areas of the college where parking is prohibited. Lack of space is not considered a valid excuse for violation of these regulations.
- Vehicles may park only in the areas to which they are assigned and must display the appropriate hang-tag permit or dashboard temporary pass indicating authorization.
- Vehicle operators must notify the security office if they need to leave their vehicle in the college’s parking lot overnight. However, the college is not responsible for theft of or damage to the vehicle or to the contents of the vehicle. The fact that an operator parks a vehicle in violation of any regulation without receiving a citation, does not mean that the application regulation is no longer in effect.

In order to obtain a parking permit you will need:
- Proof of enrollment at the college
- A valid photo ID
- Vehicle information, including tag number and vehicle description

Motorcycles are permitted to park within a single space or in the designated “Motorcycle Only” parking area on the second, third and fourth floors of the parking garage at the Burrill Galleria entrance.

In addition, motorcycles are permitted to park within a single space or in the designated “Motorcycle Parking Only” area on level 1 and level 2 of the West parking garage near the Hickory Ridge building. All levels of the West garage have red marked areas that are for motorcycle parking.

**PARKING PERMITS**

All vehicles parked on campus must display a valid parking permit. Students must register their vehicle and obtain a parking permit from the Security Office in the Rouse Company Foundation Building. Student parking permits are valid for one academic year (beginning in August) and allow parking only in the student-designated lots. Unauthorized parked vehicles are subject to traffic citations and/or towing at the owner’s expense.

**CITATIONS**

Parking citations are issued at the rate of one per violation. Vehicles improperly parked in handicapped spaces, reserved parking areas, fire lanes, and no-parking areas will be issued a parking citation. Each citation carries a penalty of $50.

Vehicles without the appropriate parking decal displayed will be identified by license plate number. Any fees associated with identifying parking violators by license plate number through the Maryland Motor Vehicle Administration will be charged to that violator.

All parking fees issued by the College are payable to Howard Community College at the Cashier’s Office and grades will be held if not paid in full. In addition to receiving a parking citation from the college, an individual parked in a handicapped space, fire zone, or no-parking zone is subject to additional fines from the Howard County Police Department. Howard County fines are imposed at $350 per violation in a handicapped space, $150 per violation in a fire zone, and $40 per violation in a no-parking area. All fines issued by Howard County are payable to Howard County Police Department.
APPEALS

Persons who feel they have received a traffic citation unjustly may appeal in writing to the director of security services.

Howard Community College assumes no responsibility for damage or loss of private property while on campus.

For safety purposes, it is recommended that the following rules be adhered to while on Howard Community College Campus.

• Pedestrians will be given the right away at all times.
• Maximum speed is 20 m.p.h.
• All traffic signs must be obeyed at all times.

Any vehicle parked on campus 30 days or more, or after hours in designated areas and lots, risks being towed at the owner or operator’s expense.

PAYMENT

Penalties may be paid to the college Cashier’s Office Monday-Thursday, 8:45 a.m.-8 p.m. and Friday 8:45 a.m.-5 p.m. Note: June 1- July 31 the office will close at 7 p.m. Hours are subject to change. Towed vehicles will not be released until all penalties owed to the college are paid.

BICYCLES/SKATEBOARDS

Bicycle racks are placed in various locations throughout the campus and are to be used by all non-licensed two-wheel vehicles.

Students will not be permitted to bring bicycles into buildings or secure them to lampposts, sign posts or fences under any circumstances. Staff members are permitted to disassemble the front wheel of the bicycle and secure it in their office. Under no circumstances shall bikes be left in the hallway or stairwells. Violators will be subject to confiscation of vehicles and/or fine of $50.

Skateboards, skateboarding, rollerblading and similar activities are not permitted on campus.

SMOKING ON CAMPUS

Howard Community College is a smoke and tobacco free environment. Therefore, smoking and the use of tobacco products is prohibited. The following smoke and tobacco free rules apply to all members of the college community including but not limited to students, faculty, staff, parents, visitors, contractors, and vendors. Smoking and the use of tobacco products is prohibited on all college owned, leased, and controlled properties including parking lots and garages, and at all college-sponsored activities. Smoking is prohibited in all vehicles. Faculty, staff and students are expected to observe smoking and tobacco policies of neighboring organizations, facilities and adjacent neighborhoods.

Smoking is defined as the lighting, burning or use of tobacco or any other material in any type of smoking device or equipment.

Tobacco includes but is not limited to smoking tobacco, chew, snuff, snus, and dipping tobacco. Cigarettes, electronic cigarettes, clove cigarettes, cigars, pipes, hookahs, bidis, blunts, cigarillos, smokeless tobacco or any item which simulates any of the previously mentioned products are also prohibited.
POLICIES

CITATIONS

HCC Security will issue a citation in the amount of $50 for each incident of smoking or tobacco use. In addition to receiving a citation from the college, students and employees may be subject to disciplinary action for code of conduct violations and all persons are subject to additional fines imposed by Howard County. College-related penalties must be paid to the college Cashier’s office during regular business hours. Parents, visitors, contractors and vendors will be subject to fines, and will be asked to leave campus if they refuse to adhere to the rules.

APPEALS

Persons who feel they have received a smoking and tobacco use citation unjustly may appeal in writing to the HCC director of security services.

PAYMENT

Penalties may be paid to the college Cashier’s office during the hours of 8:45 a.m.-8 p.m., Monday through Thursday, and 8:45 a.m.-5 p.m. Friday.

**VALUING DIVERSITY**

Howard Community College is committed to valuing diversity. “We acknowledge that diversity is more than a concept or philosophy; it is a
way of being. Diversity is recognizing, appreciating, respecting, listening to and learning from the unique talents and contributions of all people.”

HCC’s diversity programs will reflect and respect all differences in age, gender, sexual orientation, race, religion, ethnic backgrounds, and ability/disability as well as the values of equal rights, equal access, and equal treatment. HCC recognizes the critical role of an educational institution in preparing all students, faculty and staff to become contributing members of the global community. In order to assure success, all members of the college community must vigorously accept their responsibility of supporting the college’s strategic priority to incorporate diversity into the fabric of the institution. Diversity and affirmative action commitment originates with the board of trustees and filters throughout every facet of the institution. For more information visit www.howardcc.edu/diversity.
