Steps for Creating a Student Evolve Account

Go to [http://evolve.elsevier.com/exam](http://evolve.elsevier.com/exam)

Click on “Create Account” located under the username and password login area

Make sure to register as a “Student”

Fill in your First Name, Last Name, Email and Password. Immediately, write down your password and email.

**You should use your HCC email to set up your Evolve account.** The typical format for HCC email is as follows: firstname.lastname@howardcc.edu

Password Suggestions: Use a password that is easy for you to remember. It must be at least 7 characters

Elsevier Update: The box is automatically check to receive updates on Elsevier products, if you do not wish to receive these updates, make sure there is no check next to the statement.

Hit “Submit”

You will now see your Evolve account information. Please take a moment to record your username and password as you will need this information to take your exam.
