HCC Financial Aid Services will email all eligible students and invite them to complete the emergency relief required agreement within the student self-service portal in place of the previous utilized survey. The agreement is a self-certification that the student has been impacted by the pandemic. Students who accept the agreement will be reviewed for possible awarding of emergency relief funds. Students who are enrolled at the time of awarding in at least one registered credit hour are eligible to receive the relief funding. For the purposes of awarding each semester, students with exceptional need will be prioritized by ensuring all pell students are awarded first and given a larger amount of relief funds. Award amounts are determined based on the number of eligible students and the allotment utilized for that period of awarding. We will continue to award emergency relief funds through the Spring 2022 semester or when we have exhausted our allotment, whichever comes first.

(7) Any instructions, directions, or guidance provided by the institution to students concerning the Emergency Financial Aid Grants.
