

**Howard Community College**

ITB: Facility Renewal Project – Mechanical Pipe Replacement

Bid Number: 22-001

ITB Opening Date: August 9, 2021

**ADDENDUM No. 3**

*Q1. Is there an as-built drawing for this project?*

Yes, the as-built drawings available are posted along with the other supplementary documents under the solicitation name on the college's procurement webpage. The files are labeled as Clark Library as-builts, Clark Library Sprinkler as-builts and Howard Hall as-builts.

*Q2. Will work be done on off hours?*

Yes. It is expected that work in all occupied spaces, including corridors, will be performed during off-hours in order to minimize impact to the campus' public spaces. Work in mechanical spaces, including the tunnel, can be performed during regular hours.

*Q3. Will the contractor need to furnish temporary toilets?*

Yes. The temporary toilets will need to be set up in the fenced area by the East Garage.

*Q4. Is there a specific area for equipment/material storage containers?*

Yes. Equipment and material storage containers can be placed in the fenced area by the East Garage.
