

Howard Community College

ITB: Duncan Hall Roof Replacement

Bid Number: 23-004

ITB Opening Date: October 31, 2022

ADDENDUM No. 1

It has come to the College's attention that the drawings and specifications posted to the College's procurement website were the 75% documents rather than the 100% documents. The links have been updated to provide the 100% documents. **All firms must use the newly posted 100% documents when developing their response to the ITB.**

Please also be reminded that Domonic Cusimano is the sole point of contact for this ITB. Potential bidders should not reach out to other college staff or parties outside the college regarding this bid, as this is grounds for disqualification.
