***Please note, as of 6/17/2021 ALL students who accept a clinical seat will be required to show proof of completed COVID-19 Vaccine prior to beginning their clinical semester. **As of Fall 2022, ALL students are required to show proof of health insurance. HCC does not provide or sponsor health insurance for students.**

ADMISSIONS REQUIREMENTS:

- If not already an accepted student to Howard Community College (HCC), please submit HCC's online application for general admission to the college, [Apply for Credit Programs](#). Select the Radiologic Technology area of study, as well as the program code—238.
- Submit official college transcript(s) and [Transcript Evaluation Request Form](#), if transferring courses from other academic institution/s.
- Submit the Radiologic Technology Supplemental Application with one-time fee of \$25 and two documents verifying residency (*Howard County residents only*). **The online application for Summer admission may be found at www.howardcc.edu/radtechadmissions between September 15 and January 15.**
- Grade and GPA Requirements:
 - **2.0** or higher cumulative **HCC GPA**
 - Grade of '**C**' or higher in all **Prerequisite Courses** unless otherwise stated (**see next two items**)
 - Grade of '**B**' or higher in **Anatomy and Physiology I**
 - **2.5** cumulative GPA or higher for the **science prerequisite courses**
- Please visit www.howardcc.edu/radtechadmissions for more information and to access program documents.

SELECTION OF STUDENTS:

- Randomized digital lottery systems are held whenever the number of qualified new applicants exceeds the number of available seats.
- **Priority is given to applicants with pre- and corequisites completed by application deadline.**
- Within the lottery, students are selected in the following order:
 1. Howard County residents
 2. In-state, out-of-county residents
 3. Out-of-state residents
- Applicants' names are randomly selected and each qualified applicant is offered a seat or assigned a waitlist number based upon order of selection.
- As seats become available, waitlisted students will be admitted into the program.
- A waitlist will be maintained, but will not roll over to the next year. Students on the waitlist who do not receive a seat will need to submit a new supplemental application during the next application period.

PROGRAM ACCREDITATION:

The Radiologic Technology Program is accredited by The Joint Review Committee on Education in Radiologic Technology (20 North Wacker Drive, Suite 2850, Chicago, Illinois 60606-3182, (312)704-5300, mail@jrcert.org).

PLEASE NOTE:

A Drug Screening and Criminal Background Check will be required prior to enrollment in any nursing/allied health clinical course in order to ensure the safety of patients in the clinical setting. Students who do not comply with the drug screening and criminal background check are ineligible for placement in clinical agencies and therefore are not able to progress in the clinical nursing/allied health program. Students with a criminal background may be unable to progress in the clinical nursing/allied health program. It is the students' responsibility to know whether they are eligible for licensure. If a student has a criminal background, it is the students' responsibility to explore whether the background will prohibit them from being licensed and employed in the health care industry. HCC faculty and staff are NOT able to provide legal advice. If you have any questions about your existing criminal background, you may wish to discuss this with legal counsel.

The college reserves the right to change unilaterally, without notification, any requirement, fee or program if it is deemed necessary.
