We are here to help!

We are so pleased you are here to take the LPN-RN Mobility Exam!

- A proctor will be available at the front desk if you need any help during your exam.
- Please come to the front desk if you need any assistance.
General information

- Please make sure that you have placed all items in the locker.
- You will not be allowed access to your personal belongings at any point once you begin your test.
- If you need to use the restroom, please come to the front desk. For reasons of test security, only one person at a time may leave the room. **Please note your time will continue to run during your break.**
- If you have any questions, please contact a proctor—your test will be terminated if you are talking to anyone other than a proctor during the test.
Let’s Get started

- The Mobility exam is designed to assess clinical knowledge and critical thinking skills. The questions are based on what current RN students are studying in their nursing programs. Some of the topics covered include the following:
  - Basic nursing fundamentals
  - Medical and surgical procedures
  - Operative knowledge
  - Pharmaceutical knowledge
  - Dosage calculations
  - Pediatrics
  - Psychiatries
  - Physical assessment

- You will have 3 hours to complete your exam.
- There are approximately 100 questions on the exam that are either multiple choice or fill in the blank.
- A HESI score of 750 or Conversion score of 70% is considered a passing score.
Supplies at your seat
