# General Information

- Please make sure you have placed your larger items in the front of the room. Smaller items are to be placed under your desk. Clear plastic totes are available for your convenience at the front desk.
- You will not be allowed access to your personal belongings at any point once you begin your test.
- If you need to use the restroom, please come to the front desk. For reasons of academic integrity, only one person at a time may leave the room. Please note your time will continue to run during your break. **Please reenter the room following the same route you used when checking in.**
- If you have any questions, please raise your hand so a proctor can assist you; the proctor will be using the chat feature to communicate with you.

# Let’s Get Started

- The Mobility exam is designed to assess clinical knowledge and critical thinking skills.  The questions are based on what current RN students are studying in their nursing programs.  Some of the topics covered include the following
  - Basic nursing fundamentals
  - Medical and surgical procedures
  - Operative knowledge
  - Pharmaceutical knowledge
  - Dosage Calculations
  - Pediatrics
  - Psychiatrics
  - Physical assessment
