

Large Print Handouts and Tests

This student, based on documentation of his/her disability, has the need for large print handouts and tests. Disability Support Services will enlarge handouts and/or tests if you cannot do so on the copying machine in your departmental office. We ask that you please just be aware of this, so that if you are using a handout in class, you get it to the Disability Support Services office in RCF-302 a few days prior to when you need it in class so that it can be enlarged and ready for the student to use in class along with the other students.

Thank you for your cooperation with this. If you have any questions, please feel free to call the counselor listed on the accommodation memo.
